What **REALLY** is behind putting on a convention? What are the funds raised by a convention used for? Does everyone **REEEEEAAAAALLY** smear each other all over with lime jello at CASFS meetings? Why not attend a meeting and find out!

We're the sponsor of MAW, CON GAMES, Fan Gatherings, the 1987 North American Science Fiction Convention (CactusCon), the 1988 SMOFCon convention, and the annual CopperCon convention. CASFS, also known as "Melvyn", usually meets at the Cafe Casino at 24th. Street and Camelback (Southwest corner) on the last Friday of each month at 9 pm. We are a charitable, IRS-recognized non-profit corporation that exists to further science fiction, fantasy, and science fields in Arizona. We'd like to see you involved, too!

THE NEXT MEETING OF CASFS will take place on Friday, June 24, 1988 at 8 pm at the Cafe Casino on the southwest corner of 24th Street and Camelback Road in Phoenix.

Everyone is invited to attend two meetings prior to becoming a member. Membership rates are \$12 per year (plus initial \$3 application fee), or slightly more if paid quarterly or semi-annually. Membership rates are prorated for the amount of the year remaining. For more information, call Bruce Farr at (602) 968-5673. BYOLJello.

CASFS BUSINESS SUMMARY

The Board of Directors is now as follows: Chairman of the Board, Randy Rye; Board Vice-Chair, Doug Cosper; Board Secretary, Randy Rau; Treasurer, Bruce Farr; other members of the Board are Sam Stubbs, Clifton Baird, and Margaret Grady.

The procedural officers are: President, Doug Cosper; Vice-President, Sam Stubbs; Secretary, Tom Perry; Treasurer, Bruce Farr (also a Board position). Sam Stubbs is Chair of CopperCon 8 and Randy Rye is Banker. Bruce Farr is Chair of the 1988 SMOFCon and Margaret Grady is Banker.

Appointed committees are: Randy Rau for arranging details of making book donations to libraries; Bruce Farr for editing **MAW** newsletter and **CON GAMES** fanzine; and a Committee including Randy Rau for arranging Fan Gatherings. Pati Cook and Margaret Grady are sponsors of upcoming Fan Gatherings.

The following are highlights from activities and the monthly CASFS meetings held over the past three months:

1) The 1987 North American Science Fiction Convention, "CactusCon", has been refunding memberships of volunteers who put in 6 hours of more of time working on the convention. This process should be complete by mid June. If you put in 6 hours or more on the convention and haven't received your refund by then, please write Bruce Farr at P. O. Box 27201, Tempe, Arizona 85282 and let him know what department(s) you worked in and how many hours you worked.

2) The 4th Quarter, 1987 MAW was mailed to 1900 households (about 2400 fans) in December, 1987. There was no first quarter, 1988 issue since it's been decided to reduce the number of issues in favor of periodically generating a lower copy count publication 1-2 times per year. The first such publication was foregone since WesterCon is generating Sticky Issues (two issues have gone out during the first five months of 1988). The new publication will go out to most of the same people who receive Sticky Issues, which is a publication for those involved in working on Arizona cons.

3) The 11th Fan Gathering was sponsored by Michael Duckiett, Ozzie Osman, Marsha Duckett, Mark Borowski, Mike Enos, Geoffrey Hurn, and Tom Perry in conjunction with the Phoenix Japanimation Society. About 125 attended, making it the largest F.G. to date. We wish to thank them for their efforts and hope that you will attend the upcoming Fan Gathering (see report in this MAW) this June 10-12.

PHOENIX 1988 WESTERCON

by Terry Gish
(abstracted from PR 3)

WesterCon is taking place at the Phoenix Sheraton (formerly the Phoenix Hilton) and the Hyatt Regency Phoenix in downtown Phoenix, Arizona on July 1-4, 1988. Guests of honor are Hugo Award-winning author Robert Silverberg, fantasy artist Real Musgrave (who art has graced many Phoenix con publications), and fan/convention runner Craig Miller.

This is the major regional sf convention for the western United States, and features a large dealers' room, art show, multiple tracks of programming, large film and video programs, and generally more than you can see if you were cloned ten times over. Everyone receiving MAW should have just received a mini-Progress Report in the mail. Please let us know if you didn't receive your copy!

FAN GATHERING TWELVE

by Pati Cook

Will be held June 10 through 12, 1988 (starting around 6 pm on Friday and until noon on Sunday) at the Ambassador Inn at 4727 E. Thomas Road in Phoenix. Each room has a kitchenette and room rates are \$25 for single/double. Please call (602) 840-7500 for reservations. This Fan Gathering is being sponsored by the Southwest Costumers Guild.

We'll be using the same function space (on the second story, accessible by elevator) as was used for CopperCon 7 and Fan Gathering 11. The emphasis will be on costuming with video of past masquerades (including the 1978 IguanaCon - Phoenix Worldcon - contest).

We plan a video room and a con suite/dealers' room/party room/game room/etc. as was done at CopperCon 7. Deb Wykle and other members of the Guild will be available to answer questions about costuming. They'll also be accepting donations of material for impromptu costumes at future conventions.

There will be games (both wargaming and social-type), a large pool and jacuzzi, good food, and a chance to meet other fen. As usual, membership is \$5.00. For more information, contact Mike Duckett at (602) 849-9515 or Tom Perry at (602) 996-2196.

LEPRECON 15

by Randal Rau

It is that time of year to ask you to send in your \$15.00 (before the price goes up again), to join the fun at next year's Leprecon. As in the past, we will have the noted and famous Art Show, Dealers Room, Gaming, Masquerade, Movies, Japanimation, and very special program of panels to feature our special guests: Artist - Richard Hescocx, Author - Chelsea Quinn Yarbro, and Fan - Sue Thing.

Over the years Leprecons have had the rep of a fun con. We plan to continue this trend with a bigger and better Con suite, giving cash prizes in the Masquerade, and having Randy Rye cavort around nude in the hallways. (Just seeing if Randy's reading this.)

Hope to see y'all there!

1988 SMOFCON CONVENTION

by Bruce Farr

The Phoenix 1988 SMOFCon convention is for those who are interested in working on or running sf/f conventions. Last year's convention, held in Columbus, Ohio, attracted about 80 people from the U.S. and Canada (along with a couple representing a Worldcon bid from West Berlin).

SMOFCon isn't for everyone...it's great for socializing with others interested in putting on cons, learning more about how others do it, or for finding the latest gossip on bids for future cons or news on upcoming regional or national/world cons. Most people attending SMOFCon is involved to some extent with the Program. However, the only activities are two tracks of con-running related programming and a good con hospitality suite. We also offer a lot of convention publications on the subject of con running.

Memberships are \$30 until 7-31-88, \$35 to 10-15-88, the \$50 at the door (obviously, we'd like everyone possible to be pre-registered). We expect approximately 100 to attend. Our facility is the Hyatt Regency Phoenix. Room rates are \$60 for single-quad occupancy. Please write P. O. Box 27201, Tempe, Arizona 85282 or call (602) 968-5673 for more information.

FAN AND PRO NEWS

by Bruce Farr

**Star Trek Stamp Committee, at Box 452, Strasburg, North Dakota 58573 (701)-336-2655 is asking for help to pass a Congressional Resolution in favor of a stamp, honoring the space shuttle Enterprise and the starship Enterprise of "Star Trek". They ask everyone to write their respective U. S. Senators and U. S. Representatives in support of such a resolution being introduced.

We don't have sufficient space here to reproduce the full text of the format they are suggesting, but here are the essentials:

For nearly two years an effort has been underway to urge the U. S. Postal Service to issue a stamp, bearing the likenesses of the Starship Enterprise of Star Trek and the space shuttle Enterprise as an expression of the peoples' support for America's space program. It's been endorsed by Isaac Asimov, Ray Bradbury, Arthur C. Clarke, Ann Landers, Members of Congress, and several governors. Due to the Postal Service's intransigence in this matter, it has been suggested that a congressional resolution be proposed in favor of the stamp.

**As most of you know, Robert A. Heinlein passed away a couple of weeks ago. He apparently died in his sleep after telling his wife, Virginia, that he felt too tired to go with her on their morning walk. Like many fans, I felt like part of my childhood had died when I heard the news...many of us discovered SF from our school libraries where we found many of Robert Heinlein's juvenile SF novels.

**Phoenix fan and author Rick Cook won on Jeopardy!! Look for the episodes he was on this June 29 and 30. Rick's first book is coming out in February, 1989 and has a cover by Alan Gutierrez, an Arizona artist who was LepreCon 14's Artist Guest of Honour.

**The Southwest Costumers Guild is bidding for the 1992 CostumeCon for Phoenix, Arizona. The result will be voted on and announced in 1990.

**There is now a bid for Phoenix for the 1993 World Science Fiction Convention. The bid committee includes Eric Hansen, Bruce Farr, Terry Gish, Doreen Webbert, and Margaret Grady. Pre-supporting memberships to help support the bid are \$5.00. Contact P. O. Box 27201, Tempe, Arizona 85282 or call (602) 968-5673 for more information.

**Not to be thought as a bunch of slouches who don't want to sponsor any conventions, some Phoenix fans are bidding on yet another convention. Randy Rau and Bruce Farr are bidding on the 1991 World Fantasy Convention. It would be situated at the Doubletree Hotel at Randolph Park in Tucson, Arizona as was the 1985 World Fantasy Convention that Arizona fans ran. Announcement of the site will be made at the 1988 WFC which is being held at the end of October in London, England.

MORE THAN JUST A JOB,...

by Bruce Farr

...it's a convention. And it SHOULD be fun! Working conventions, that is. As a matter of fact, it REALLY should be and I'm afraid that it does look a lot like work at times. Unfortunately, as conventions get larger that's what happens - there's more and more work involved. Some years I've put in over 10 hours every week, myself, on doing various conventions.

Why? For me that IS fun. I enjoy working with the people (I know, that's what some morticians say, too). There are a lot of new people working on conventions, many of whom I now consider my friends. Working cons is a good way to meet future friends.

It's also fun when I do different jobs I haven't done before. Perhaps helping in Registration for one con, Programming at another, and Art Show at a third. Mixing things up gives you variety that stops things from being boring.

If your experience has been of heading a department, try being a volunteer or staff member for a convention or two. You can be valuable assisting every bit as much as leading. You can especially be of assistance helping train someone who hasn't headed a department before. And this might give you a needed break from the time and responsibility you've been bearing.

But if you've mostly been assisting as a volunteer or staff member at a convention, try asking to head an area. There is an amount of experience that's needed to head a department, but it's less than you may think. What's needed is enthusiasm, the willingness to learn from others who've done the job, and the time to do the job as it's required.

Finally, doing a job at a con is a lot easier and less stressing if you have the time available to "do it right". Not letting things get behind by keeping things up to date helps the convention and the attendees. Every bit as important is letting the chairperson know if you need help if you're falling behind. That way things can be fixed before it becomes a real problem.

MAW is the Newsletter of the Central Arizona Speculative Fiction Society (CASFS), a 501(c)3 non-profit corporation. It is being published (except for last quarter) quarterly. Circulation is approximately 2,000 households, mainly to members of CASFS and attendees of recent Arizona sf&f conventions.
