## Schedule for 2011 AMAZING ARIZONA COMIC CON

### PROGRAMMING OVERVIEW:

AMAZING ARIZONA COMIC CON is pleased to announce a full schedule of programming featuring your favorite characters, creators, and properties. These panels take place at the MESA CONFERENCE THEATRE, which is located in the Mesa Convention Center in building "B", right across from the Gaming Areas. Signs should point you out to the location, but if you have any problems, please do not hesitate to ask someone from the AMAZING ARIZONA COMIC CON staff.

The MESA CONFERENCE THEATRE is a state of the art screening room, that seats 110 people. Each program should last about an hour.

**Due to the popularity of a number of the panels, we cannot guarantee everyone will be admitted to any specific program. Line-ups will begin for each event. After the close of each panel, the audience will have to exit, and the room will have to be cleared before the next event can start.**

### MVP Ultimate Fan Experience

One of the major perks of the MVP Ultimate Fan Experience is that members of this exclusive club will have priority seating for all panels and programs taking place in the Mesa Conference Theatre. The first several rows will be "roped off" for MVP members only. There will be a separate line for MVP Members, with these first several rows held up until 10 minutes before the start times. At that point, ANY and ALL unoccupied seat will be open for General Admission. Please note: MVP Members can retain their seats between events.
