Welcome to our Charity Auction!

Here's what you need to know to participate and have fun:

All items are on display on a computer monitor in the lobby and in Avondale I one hour before the auction begins.

This is a Live Auction. Attached is a listing of items available at auction with the beginning bid amounts. All information is subject to change until time of auction.

Your badge number is your bidder number. You must be a member of this convention to bid.

Items with no bids or not paid for will be re-auctioned at a future Charity Auction. We accept cash or checks. We apologize but we cannot take credit card payments. No payments will be taken until the auction has ended. All items must be paid for by the end of the convention on Monday.

All books that are presented as a First Edition are done so at the best judgment of our Charity Auction Director. No guarantee is made by Catherine Book, CASFS or CopperCon32 for any item. Please inspect any item you are interested in prior to auction.

We hope you enjoy yourselves and find something wonderful to take home.

And, remember: Bid Often, Bid High!
