

# HEXACon 3

GAMING CONVENTION

# SCHEDULE

**YOUR SCHEDULE:** Here's a simple way to keep track of the games you've signed-up for, and any panels and special events you'd like to attend. Enter the name of each item in the appropriate time slots (don't forget to set aside space for multi-round events). Shade in the time bar on the left side of each day so any free time will be visible. Leave yourself some time to visit the Dealers' Room and to attend some of the panels and programs that interest you. Enjoy your weekend!

# EAT, DRINK, & BE MERRY!

It's true — no food or drink are allowed  
in the gaming area. So what's a hungry  
gamer to do?

#### 1. Eat in the hotel's cafe:

The food is good and the prices are pretty  
reasonable.

#### 2. Go to a local restaurant:

You'll find a map of the closest restaurants  
on the last page of your Program Book.

#### 3. Stop by the ConSuite (room 124 in the Mountain Wing): The ConSuite stocks assorted chips and soft drinks, free to any con attendee.

#### 4. Order out: The ConSuite (see #3 above) is offering an ordering service with special prices — get pizza from Pizza Hut (lunch, dinner, or late at night) or chicken from Kentucky Fried Chicken (dinner only). Stop by the ConSuite — they've got menus (with prices that include tax & tip) and order forms. Just fill out a form leave your money, and come back 30-45 minutes later for your order — details in room 124!
