

Hexacon 8

**We Have
a site
and date!!**

**July 10-12 1998
Sunspre Hotel**

It appears that Hexacon has successfully acquired the Sunspre Resort in Scottsdale for this year's Hexacon to be held July 10-12, 1988.

This site has several advantages over the ASU site, including 24 hour gaming, a real Con Suite, and con-based security to supplement the hotel security. Another feature of the hotel is the lake-side area, perfect for live-action role playing games. For those not familiar with the site, the hotel has very nice rooms and a good staff. Look for a map and directions in the next issue...

Many thanks to Bruce Farr for his negotiations and assistance in securing this site. We hope it is a major step in making Hexacon a great convention.

We need your ideas and suggestions to make this the best Hexacon yet. Look at the back page for how to contact us.

What's going to happen at Hex 8?

LOTS of other stuff!

What's >NEW!<

Full Con Suite

This year we will have a full Con Suite, with munchies, soda, and a good place to sit down and relax between gaming sessions. Guests and gaming authors are invited to hang out there and meet the convention members.

Con/Hotel Security

Both the convention and the hotel will be providing all-night security, and the site is located in a location that does not support non-convention traffic.

'On-line' Scheduling

We have a computer set up so that gamers can get a current printout of the schedule with all changes, additions and re-scheduling. This will let you add games and let others see what is going on as it happens.
