It's also plausible that he's been plotting to take over the world since he was ten, or that he's since been writing novels to stir the heart and spark the imagination. Either way he lives in an invisible spaceship that's currently hovering above Phoenix, AZ.
4:55-5:25 pm	<b>MARVEL VS. DC:</b> Who would win? What's your opinion? Come hear our panel of BASIS Mesa Speech & Debate students get bent out of shape arguing who they think would come out on top!
5:35-6:05 pm	<b>POP CULTURE:</b> Come and join panelists and hosts as they talk about our love of pop culture and join in some epic debates.

	The Blogging Banshee is an AZ blogger who loves horror movies. The Blogging Banshee will be joining Monte Yazzie on a panel to discuss the merits of horror movies for kids and take a look at some of the best.
6:55-7:25 pm	<b>CRAIG CHENERY:</b> Craig Chenery is an author, screenwriter, Star Wars fanatic, costumer, geek, presenter, panelist, Stormtrooper, and all round pop culture whiz! Join Craig for an A.M.A on something we all love ... Star Wars.
