# “Kill Jason Youngdale”

Complete and remove this page from program book and place in submission box found in Foyer

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slightly textured appearance and some minor discoloration or faint smudges, particularly near the top edge. The overall look is that of a standard piece of stationery or notebook paper.

See Gabe Rael for the rules of this game event
