Phoenix Comicon spans 4 Days, 4 Floors, and 3 Hotels

We are more than just a pop culture convention - we are a pop culture experience. The Phoenix Convention Center Lower Level features the Exhibitor Hall where we have more than 600 vendors, booths, artists, authors, creators and more. We've got more than 1000 hours of Programming happening on the 1st and 2nd Levels of the North and West Buildings of the Phoenix Convention Center, plus special events happening at the Sheraton and Renaissance Hotels, and Tabletop and Console Gaming at the Hyatt Regency. Up on the Third Floor we have our Hall of Heroes where you can meet our Celebrity Guests, get Photo Ops and Autographs, and see all of our Costuming Groups. Outside between the North and West buildings is the 3rd Street Pavilion featuring performances by local bands, food trucks, interactive activities and more.

- **Photo Ops!** Head to the Third Floor Hall of Heroes to buy professional photo opportunities with your favorite guests. Up to 4 people can be in a single photo taken by a professional photographer with a formal background, printed on an 8"x10" glossy print that includes the Phoenix Comicon logo.
- **Autographs!** You can also get autographs from guests up in the Hall of Heroes on the Third Floor. Plan ahead to be at signing times to get your favorite guest signatures. Bring an item to be signed or buy a photo onsite. Most comic book creators and authors do not charge for autographs, though some do ask

for donations to various charities. Most, if not all, of our anime voice actors and Film and TV actors have a fee for purchasing autographs or will sell you a photograph, book or other item and then autograph that item for no additional charge. Prices are generally clearly posted at the guests table, but it doesn't hurt to ask.

- **Panels and Programming!** As Phoenix Comicon grows, more people want to attend programming and spotlight panels and there are some updates to be aware of.
 - Seats cannot be saved.
 - We do not clear the rooms between panels.
 - No video or flash photography can be taken in the Spotlight Ballroom 301
- **Special Events!** There are a few special events where we need to charge a small fee in order to offset the expenses of producing the event. Our Maid Cafes and Host Clubs are examples of this. We'll also be having some special fund raisers for Kids Need to Read and will be charging admission, but the proceeds will go to support the charity. Any event that requires a special admission or ticket will be advertised as such on our website and in the program guide.
- **Be Aware of Traffic!** No sitting or camping out in hallways. Please keep pathways clear so all attendees can move around freely. No stopping or gathering on the Third Floor Skybridge between the North and West Buildings. 🍁

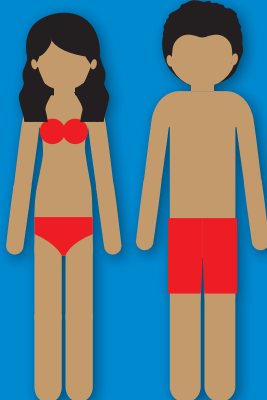

Cosplay Policies

- Phoenix Comicon is **all-ages** and **family friendly**. Act accordingly.

HARASSMENT AND DISCRIMINATION

Phoenix Comicon is firmly committed to providing a positive experience free of discrimination, harassment and bias. Each attendee is personally responsible for maintaining such an environment. Phoenix Comicon prohibits any actions, words, jokes, or comments based on an individual's race, sex, sexual preferences, ethnic background, age, religion, physical condition, or other legally protected characteristic. Any conduct or action, whether overt or subtle, which creates an offensive or hostile environment is prohibited and will be grounds for immediate action up to and including police involvement.

Phoenix Comicon prohibits any harassment between volunteers, attendees, exhibitors or guests on the basis of sex. No person, male or female, should be subjected to unsolicited or unwelcome sexual overtones and conduct, either verbal or physical. Misconduct applies to both males and females, and includes harassment between individuals regardless of sex. Any person who believes he or she is a victim of sexual or discriminatory harassment is encouraged to let the harasser know that his or her behavior is unwelcome. Those who believe they have been harassed should immediately report the matter to Facility Security Personnel, Local Police or Phoenix Comicon Staff.

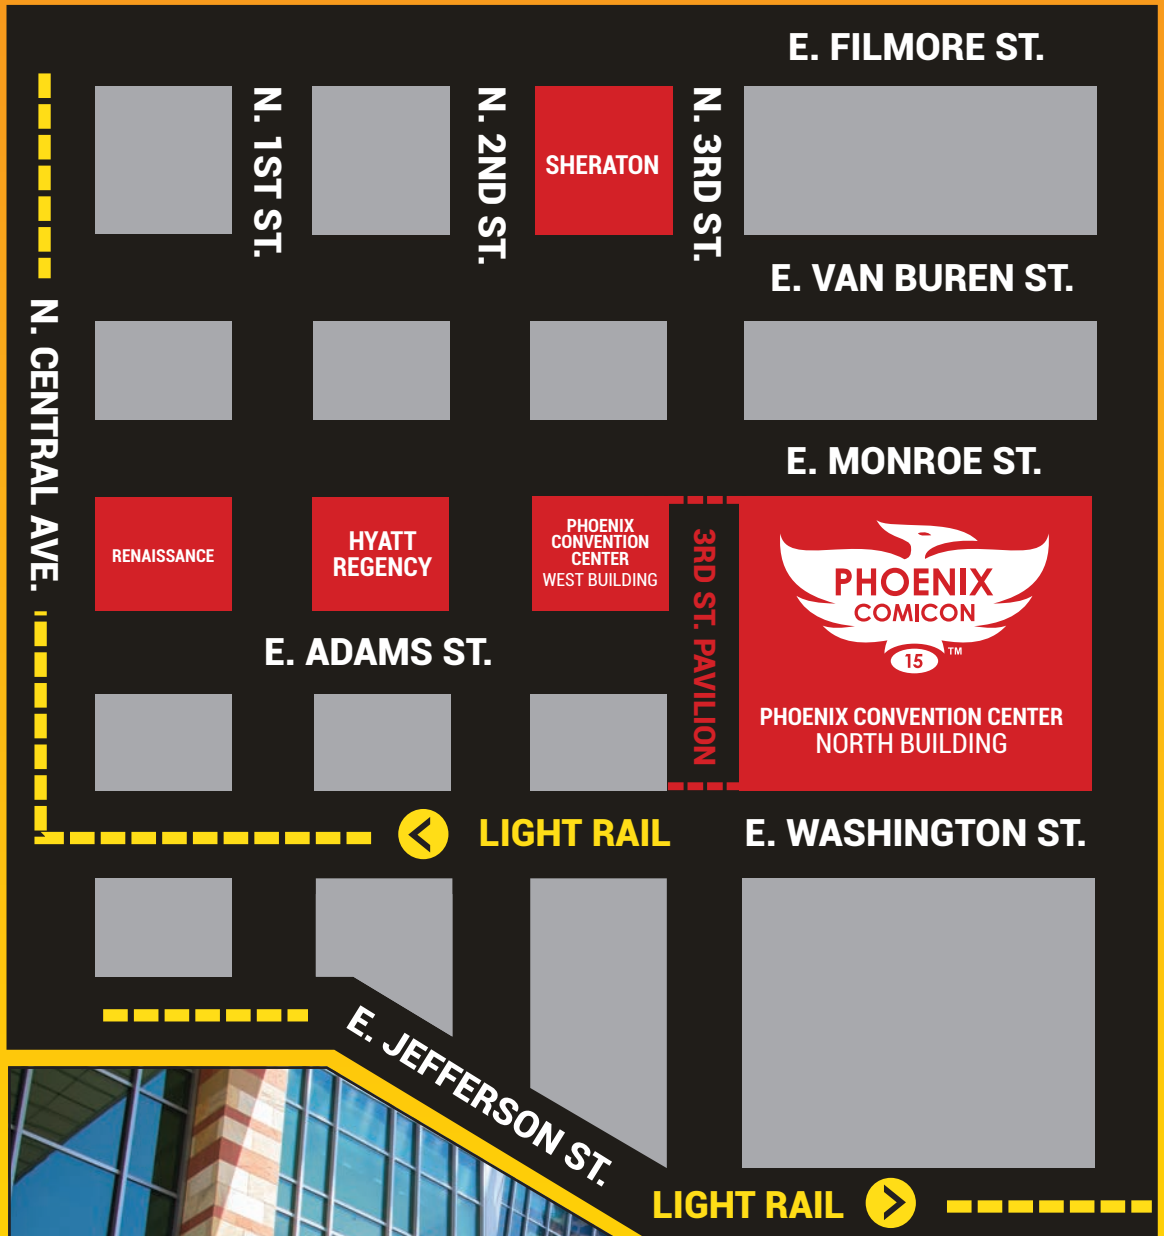

COSPLAY IS NOT CONSENT

Phoenix Comicon supports the movement "Cosplay is not Consent" to empower fan convention costume enthusiasts (aka "cosplayers") to SPEAK OUT against inappropriate social behavior of a sexual and/or stereotypical nature for themselves and fellow fans. Cosplay is NOT consent!

The culture of Cosplay is one of fun, creativity, and mutual respect. Unfortunately, not every fan adheres to the "respect" part. Cosplay is NOT Consent - and cosplayers who dress in (sometimes) revealing costumes should not accept inappropriate behavior from their peers. Speak out; speak up; and help keep cosplay comfortable and fun!

You should make every attempt to gain direct consent on all photographs of cosplay, including all private photographers. All photographers, commercial and private, should refrain from taking secret photos or photos of cosplayers in compromised positions and should not take photos with the intent of commercialization without consent of the subject. Cosplayers love to have their photos taken, so just be polite and ask! 🍷
