We're branding our 2017 event **ConALOpe** just so we can have fun with our theme of aliens, as we commemorate the 70th anniversary not only of **Westercon** but also of the crash landing of a UFO (or a military surveillance balloon) at Roswell, NM on 8th July, 1947. We suggest that the aliens rode west on jackalopes to Arizona and may well make an appearance at Westercon!

As **Westercon 70** is being sponsored by Leprecon Inc, it will also be **LepreCon 43**. LepreCon is a general science fiction convention with a special focus on art. It also incorporates CONflagration, a gaming event.

The convention hotel is the **Tempe Mission Palms** and room rates have been locked at just \$109 per night!

Connie Willis is sponsored by the WesternSFA. Tim Griffin is sponsored by the Phoenix Filk Circle. Larry Elmore is sponsored by LepreCon 44.

We are sad to announce the passing of **Judith Starr**. She embraced and loved all the steampunk community had to offer and shared a great love for steampunk with her Daughter, Diana Given. Attending every WWWC since year two, she loved the volunteers, attendees, and entertainers. Judith, your presence will be greatly missed but your spirit will always be embedded in the heart of WWWC and the Steampunk Community.
