Art: Soarina the Jet Girl

(PHOENIX, AZ) We can officially say Ponies Exposition will have two talented VIPs appearing at a new MLP fan convention on October 7-9, 2022.

Elley Ray will be her first-ever appearance to radiate with a bright sun glow of positivity and fun among the attendees of PoniExpo.

Elley is an award-winning actress on screen & stage veteran with over 40 years of experience. She always brings her unique form of Magic of Friendship and is well known as the voice behind Mistmane and a pair of changeling characters in "To Change a Changeling in the My Little Pony: Friendship Is Magic."

Mary Bellamy, a well-known and talented licensed My Little Pony illustrator, joins Elley as our second Guest of Honor.

Mary began her work in comics in 2000 as an inker for Shanda Fantasy Arts and moved on to work on anthologies with Antarctic Press and Radio Comix, amongst various comic properties, including Transformers, DC Comics, Marvel, and Star Wars.

Mary is the project editor of the Womanthology: Heroic Sketchbook, the artist contributor, and a colorist for the anthology project. She also publishes her graphic novel series, Ah Heck!! - The Angel Chronicles and Faux Facts - The Truth Can Be Strange!

Elley and Mary will join us at the Four Points South Mountain Phoenix, where our price for a ticket starts at \$20. Kids 12 and under get in free with a paid adult!
